Please make sure to include a short bio. This keeps the crowd involved and makes it more fun for everyone. Include things like profession, hometown, hobbies, and achievements in both the games and elsewhere.

Lunch, water, and a games souvenir will be provided to all athletes. Prizes for top three in each class will vary. All Amateur competition will be as an Open class. Masters will compete as a separate class. Professional Ladies are by invite only. Check-in begins at 8AM and competition begins at 9AM. Scores will be posted on NASGA as time allows. All athletes must furnish their own kilt and will be expected to walk in the parade, no exceptions. This is an open street style festival where visibility is essential to our continued existence.

Amateur and Master athletes include a \$20 registration fee. Make checks payable to Big Stone Celtic.
